CIUCULAR TO BUS STUDENTS -48 / 2018

05 Oct 18

Dear Parent,

1. It has been intimated by Satavahana, School Bus Fund, that during their surprise check it has been found that many of the students coming by Navy School Bus are not in possession of bus pass. In future regular surprise checks will be carried out and students without valid bus pass will not be permitted to travel.

2. It is requested that all students travelling by school bus are to carry their bus pass along with them daily.
