

**NAVY CHILDREN SCHOOL, 104 AREA**  
**ACTIVITY REPORT FOR THE MONTH OF MARCH 2016**

The month of March was like a hot academic sun where all the student sunflowers intensely turned towards it as it was high time for them to climb up one more rung in their academic ladder.

**Graduation Day:-** On **10<sup>th</sup> Mar** the KG celebrated the Graduation Day in the school premises. The little UKG children dressed in the formal graduate caps and gowns looked amazing and exuberant. The chief guest of the day Mrs.Srividya, HM NCS 104 Area gave away the graduate certificates to the children and addressed the gathering with a few informative words. It was indeed an elated moment for the parents to look at their tender shoots as fructuous trees. The cultural programmes presented by the LKG children were enjoyable and entertaining. The programme ended with the National Anthem.

**KG PTI:** The KG PTI was held on **18<sup>th</sup> Mar**. Parents were intimated about their ward's performance and were guided with necessary suggestions.

**World Sparrow Day:** On **16<sup>th</sup> Mar** World Sparrow Day was observed in the school premises organized by MEECONS and Trend Setters. An outline of a sparrow was drawn on the floor and children sat on it to spread the Motto 'Save the Sparrow'. The event shared thoughts on bringing back the chirps of the gregariously friendly bird in our back yards. It was stated that the decreasing number of this bird population at an alarming rate can be brought back only by peoples participation. Finally it was conveyed that each one of us must do our bit to create a harmonious space for the house sparrow to co-exist with human beings.

**PTI:** The PTI for classes IX and VI-VIII was scheduled on **26<sup>th</sup> and 28<sup>th</sup> Mar** respectively. The consolidated result of the academic session and promotion status was conveyed to parents

PTI for primary for Term-III result was also conducted on **28<sup>th</sup> Mar**

**Year Ending Lunch :-** On **28<sup>th</sup> Mar** lunch was arranged to the staff of NCS in the school premises on behalf of the School Management as an expression of gratitude. It acted as a real refresher for everyone.
