

## NAVY CHILDREN SCHOOL 104 AREA

### ACTIVITY REPORT FOR THE MONTH OF APRIL 2017

The new academic session 2017-18 began with a lot of excitement. This was evident by the fresh look on the faces of staff and the students as they spruced up to commence the new session with ardent spirit.

**1. World Health Day:** - On 6<sup>th</sup> Apr a **special assembly** was conducted by the students of class VII to mark the "World Health Day" children spoke about the importance of the day and held placards with messages.

- The first wealth is health.
- Eat right, exercise regularly.

**2. Ambedkar Jayanti:** - On 13<sup>th</sup> Apr a **special assembly** was organized by the students of class VIII to celebrate Ambedkar Jayanthi. Children spoke about the importance of the day. A skit was performed to exemplify Ambedkar's strong determination to eradicate untouchability. A dance was performed promising to work on his vision "We Are United", slogans like

- I like the religion that teaches Liberty, Equality and Fraternity.
- A great life is better than a long one.
- Thought:- Cultivation of mind is the ultimate aim of human existence.

**3. World Heritage Day:** - On 17<sup>th</sup> Apr a **special assembly** was conducted commemorating 'World Heritage Day', by students of class X. They spoke on the importance of the day and Dos & Don'ts to preserve our heritage. A skit was performed highlighting various ways in which world heritage sites and historical monuments are being vandalized and the need to protect them. Several placards were held.

- "World is ours... let us pass it on safely to our next generation.
- Save monuments, save history.

**4. World Earth Day:** - On 18<sup>th</sup> Apr a **special assembly** was conducted by the students of class IX to celebrate 'World Earth Day'. A skit was performed showing the past, present and future status of the earth. A dance and song were presented appealing the people to 'Save Our Earth'. Placards were held bearing slogans.

- Save earth for a better life.
- Save trees, they will save you.
- Thought: - Protect earth for the children of tomorrow.

**5. Orientation Programme (Sec):** - An orientation program was conducted to the parents of secondary students in two different sessions on 18<sup>th</sup> Apr in Community Hall, SVN Colony. The session aimed at making the parents aware of various changes that are going to take place in the CBSE pattern with effect from the academic year 2017-18. Dr.Parul Kumar, Principal NCS Vizag presided over the session enlightening the parents about the newly incorporated exam & assessment patterns and changes. The session ended with the clarification of several doubts raised by the parents.

**6. Orientation Programme (Pri):** - On 20<sup>th</sup> Apr, an orientation programme was conducted for the parents of classes I – V. Dr. Parul Kumar, Principal NCS Vizag addressed the parents and insisted on inculcation of good behavior and food habits among the children. Further Mrs Srividya, HM 104 Area addressed the parents regarding the change in assessment system, rules regulations, academics, CCA activities etc. Parents got a better idea of how and what happens in the school and in what regards the school need their cooperation through this programme.

**7. Orientation Programme ( KG ) :** - On 21<sup>st</sup> Apr the **Orientation Programme** followed by **Special PTI** was organized in the school premises. Both the Principal and Headmistress enlightened the parents with the KG academics, CCA etc and also requested their support and co-operation in ensuring that each student proves his best in all the fields. Then parents were directed to attend the special PTI in their respective ward's classrooms. The PTI ended fruitfully as it gave a chance to both teachers and parents to have a discussion and update themselves with the child's performance.

**8. Planetarium show:** - The skylab organization has conducted planetarium shows for the students of classes I – X on 24th & 25th Apr to give them a fabulous educational experience. The duration of the show was approximately 1 hour which was truly an infotainment.

**9. Medhavi Awards:** - On 27<sup>th</sup> Apr Medhavi Awards were given by the Chief Guest Capt R Srinivas , Director NCS Vizag in the special assembly. All the children who have fulfilled the eligibility criteria were awarded with Medhavi badges and merit certificates. The chief guest in his address to the gathering congratulated the achievers and enlightened the students about the demerits of the media and exhorted students to give more importance to their physical and academic development rather spending their time with the gadgets.

#### **10.Third Saturday Faculty Meeting Proceedings:**

**Principals Lecture:** on 15th Apr a session was taken by Principal for all the staff on the topic "Time Management in Classroom". Different issues relating to the topic like purpose of time management, steps of manage time, principles to manage time management and also common mistakes of time management were highlighted.

**Guest Lecture:** On the same day Surg Capt. Priyavat Soni, HOD, Dental Centre, INHS Kalyani addressed the teachers on "Introduction to various disciplines of Dentistry". He explained about Orthodontics, Prosthodontics, maxilla facial surgery, Periodontics etc. He also made the staff aware about the treatment available at the Dental Centre INHS Kalyani. It was indeed very informative.

**11. Summer vacation:-** Summer vacation commenced for classes **KG from 28<sup>th</sup> & classes I-X from 29th April – 19th June.**

Mrs.Srividya  
Headmistress
